ATTENTION!

*Draft resolutions are presented herebelow. Under each draft resolution there is space for instructions on the way to vote from the Shareholder to the Proxy and columns to tick off the fact that the vote was cast and any objection to voting against a resolution in a specific voting. A vote is cast and an objection made by ticking the appropriate box in the column *. Additionally, if a Proxy casts different votes from different shares within one represented block of shares and one voting, they should insert the number of shares/votes in the relevant field which is dedicated to the specific vote in each voting. An incorrectly completed form or filed without fields ticked off by the Proxy that do not clearly show the Proxy's intention in each voting shall be disregarded in the relevant voting and results thereof. The Company informs that if the Shareholder and the Proxy use this form for voting, the compliance of the vote(s) cast and the relevant instructions will not be verified. The voting or failure to vote by the Proxy will be decisive, also when the behaviour of the Proxy is not compliant with the Shareholder's instructions.*

In order to facilitate the use of the form by the Proxy, each resolution is placed on a separate sheet of paper. The shareholder and the Proxy may use only certain pages of the form, at their discretion.
