

(Current Report no 2/2007)

June 11th 2007

Information about Approximate Price of Offered Shares

The Management Board of LC Corp S.A. reports that on June 11th 2007 LC Corp S.A. and LC Corp B.V. (Shareholder Selling the Issuer's existing shares under the Offering), offering in total up to 163,000,000 Shares (including 57,000,000 New Shares and 106,000,000 existing Shares), in consultation with UniCredit CA IB Polska S.A., performing in the Offering the role of Underwriter as well as Lead Manager and Book Runner, determined the Approximate Price of Shares Offered (which applies to both New Shares and Shares For Sale) under the Offering at the level of PLN 6.50 (say: six zloty, 50/100).

The Offering will be conducted on the basis of the Prospectus approved by the Polish Financial Supervision Authority on June 6th 2007, which was published in an electronic form on the Issuer's website: www.lcc.pl and on the website of the Warsaw Stock Exchange: www.gpw.pl. This announcement is published pursuant to the provisions of the Prospectus on public disclosure of the information on the Approximate Price. All capitalised terms used in this announcement have the meaning defined for them in the Prospectus.
