JUSTIFICATION FOR CHANGES IN THE REGULATIONS FOR THE GENERAL MEETING

The changes introduced to the Regulations for the General Meeting are connected with the necessity to adjust the Regulations to the Statutes and to changes introduced by the provisions of the Act of December 5, 2008 on amending the Act – Commercial Companies Code and the Act on Trading in Financial Instruments, which comes into force on August 3, 2009, the provisions of which fundamentally change the manner of convening General Meetings and shareholders' and their representatives' participation in the Company's General Meetings. Changes in the provisions of law result from the implementation of Directive 2007/36/EC of the European Parliament and of the Council of July 11, 2007 on the Exercise of Certain Rights of Shareholders in Listed Companies, whose basic objective is to facilitate the exercise of corporate rights to shareholders in public companies.

Enclosure No. 1 to Resolution No. 6 of the Extraordinary General Meeting.

MANAGEMENT BOARD'S OPINION JUSTIFYING THE REASONS FOR REDUCTION IN THE COMPANY'S SHARE CAPITAL BY WAY OF PURCHASING 20 MILLION COMPANY'S SHARES FOR THE PURPOSE OF THEIR VOLUNTARY RETIREMENT

The Management Board of LC Corp S.A. presents this justification for the reason for purchasing by the Company of up to 20,000,000 own shares, for the purpose of retiring them, within the period of 3 years as of the date of adopting a resolution, to be passed at the next Extraordinary General Meeting convened on July 31, 2009. The basis for voluntary retirement of shares is provided by Art. 362.1.5 and Art. 359.1 sentences 1 and 2 of the Commercial Companies Code in connection with § 13.4 of the Company's Statutes. In accordance with the draft resolution of the Extraordinary General Meeting, convened on July 31, 2009, the General Meeting is to take a decision on granting consent to purchasing by the Company of up to 20,000,000 own shares (hereinafter referred to as the "Resolution") for the purpose of their voluntary retirement within the period of 3 years as of the date of adopting the Resolution. The Company's Management Board puts forward a motion to the General Meeting to authorise the Management Board to buyback up to 20,000,000 Company's own shares. The price per share, as of the date of adopting the Resolution by the General Meeting, will not exceed PLN 1.50. The amount allocated to the purchase of shares will not exceed PLN 30,000,000. The buyback of shares will be financed by the Company's own funds. In the Management Board's opinion the current situation on the financial market and the resulting drop in the Company's share price do not reflect the Company's real value. Therefore, in the Management Board's opinion, the buyback will influence favourably the Company's indexes and its perception on the financial market. Concurrently, this transaction will generate added value for the Company's shareholders and will strengthen investors' confidence. In the Management Board's judgement the transaction will be beneficial for the Company's shareholders and it does not pose any risk to the Company's operation or fulfilment of its strategic objectives. The voluntary retirement of shares is in the best interests of the Company and is not in conflict with the existing shareholders' interests.
