

PROF. DR HAB. MAREK SZYDŁO

Born on 9 February 1977 in Wrocław.

Graduated from studies in law at the Faculty of Law and Administration of the University of Wrocław (in 2001) with a professional title of master of law.

Conferred the degree of doctor of law (in 2004), and then doctor habilitated of law (in 2007) and the title of professor of law (2015).

Employed by the University of Wrocław (since 2002) as associate professor in the position of head of the Department of Competition Law and Sector Regulation.

In addition, employed by the Bureau of Research at the Chancellery of the Sejm of the Republic of Poland as legislation expert (since 2008).

Legal advisor (since 2008) and associate of the Law Firm Prof. Szydło i Współpracownicy (spółka komandytowa) that he runs together with his brother.

Author of more than 200 scientific publications, including 14 individual monographs, and more than 170 scientific papers published in legal journals.

In particular, Marek Szydło is an author of 20 scientific papers published in foreign journals ranked by Journal Citation Reports. His scientific works are cited in scientific publications all over the world (e.g. in Europe, USA, Australia), including in prestigious journals ranked by JCR and in foreign textbooks published by renowned publishers.

His scientific interests focus on the widely understood public law, including public economic law, constitutional law, administrative law, law of the European Union, international law, as well as private law related to economic activity. His particular areas of interest are: competition law, sector regulation law (energy law, railway transport law, telecommunications law, postal law), local government and municipal management law, companies of the State Treasury and public (state) economic activity.

He has been the head of numerous research projects, including projects financed by the National Science Centre. In particular, he was the head of a research project under MAESTRO 4 programme (“Judicial review of decisions made by national regulatory authorities: towards a more coherent application of EU sector-specific regulation”) and SONATA BIS 4 (“The public supervision over the public procurement market”).

He supervised 5 doctors who wrote and defended their doctoral dissertations (dr Ewa Chmielarczyk, dr Oskar Filipowski, dr Stefanie Theis, dr Krzysztof Rokita, dr Karolina Pajkiert-Boduch), and prepared 9 reviews on doctoral dissertations and 5 reviews in habilitation dissertations.

He received numerous prizes and awards for his scientific achievements, including: scholarship for young scholars from the Foundation for Polish Science (2003-2004), award for the best young scientists from "Polityka" magazine (2007), honourable mention in the contest for the best habilitation dissertation held by "Państwo i Prawo" journal (2008) and scholarship for outstanding young scientists granted by the Minister of Science and Higher Education (2012).

He is an author of one hundred and several dozen legal reviews and expert opinions prepared for public institutions (including for the Sejm of the Republic of Poland, Supreme Audit Office, ministries, central offices and local administrative units) and for the largest Polish public enterprises (such as PKN Orlen, PGNiG, KGHM Polska Miedź S.A., Telekomunikacja Polska S.A., PKO BP). In particular, he prepared numerous expert opinions regarding the content of draft legislative acts proceeded by the Sejm of the Republic of Poland and legal opinions for the Government of the Republic of Poland concerning international matters, including matters reviewed in international courts.

Marek Szydło was a member of the Board of the General Counsel to the Republic of Poland, member of the Geological Board assisting the Minister of the Environment and member of the Business Constitution Group assisting the Minister of Economic Development. At present, he is the Chairperson of the Legislative Board assisting the Prime Minister (since September 2018). He is also a member of the Council of Scientific Excellence of the 1st term of office (since June 2019), that is, the body competent in matters of scientific degrees and titles in Poland (as one of 3 representatives of legal sciences). Marek Szydło is also a chairperson of the Supervisory Board of the National Fund for Environmental Protection and Water Management (since February 2020).
